Chairman's Greetings

Dear fellow chess enthusiasts,

2015/16 was the CCA's second full season since its inception in mid-2014, and from my perspective it was a successful one: the number of active players (154), of games played (329) and of matches played (87) all went up around 10% compared to our inaugural season while the number of games defaulted (45) went down slightly. Moreover, we had close title races in the City Chess League and the City Chess Swiss that were only decided in the final round which added a degree of excitement to both competitions.

I would like to use this opportunity to congratulate all teams that won a trophy, in particular newcomers Morgan Stanley who managed to win a trophy in their debut season, and to thank all those who are devoting their time and effort to help run our competitions – my fellow officers, the team captains and everyone who volunteers with the set-up before and after matches. Your commitment is greatly appreciated.

In 2016/17 we have two teams switching competitions: Morgan Stanley are moving from the League to the Swiss while Bloomberg are moving from the Swiss to the League. The number of teams in the League and Swiss thus remain unchanged at nine and ten, respectively.

One important area in which we need to make a change is the subsidy of ECF non-member game fees. The ECF charges £2.50 for each game played by a non-member, and until now the CCA covered the cost of each non-member's first two games while the player's club covered the cost from the third game onwards. That model has proven unsustainable, however, as fewer people than expected joined the ECF last season which has left the CCA out of pocket. Our AGM has therefore approved a capping of the subsidy at £20 per club per season. As before, ECF membership is not mandatory but is strongly encouraged. Thank you to everyone who did join the ECF – your membership supports chess in this country and helps the CCA keep its costs down.

Good luck to all players and teams in the forthcoming season.

Daniel Lindner

General Information

History

The CCA was formed in July 2014 following the merger of the *Combined Banks and Insurance Chess League* (established 1999) with the *London Banks Chess League* (established 1911).

Competitions

The CCA organises the following competitions and awards the following trophies to its competition winners:

City Chess League ("League")	Bank of Liverpool & Martins Trophy
City Chess Swiss ("Swiss")	Brian Cutler Memorial Trophy
City Chess Major Cup ("Major Cup")	Barker Cup
City Chess Minor Cup ("Minor Cup")	Bowring King Trophy
City Chess Plate ("Plate")	Durham Trophy
City Chess Blitz ("Blitz")	Frost-Wilmot Trophy

Competition Rules

CCA competitions are governed by the *Rules of Competitions* published on the CCA website.

FIDE Laws of Chess apply, save for the following two exceptions:

- In lieu of article 11.3b, the applicable rule for all Standardplay CCA competitions shall be that if a player's mobile phone or other electronic communications device makes a sound in the playing area while his or her game is in progress the player will be issued with a formal warning and that a second such offence by the same player in the same game shall result in forfeit of the game
- Contrary to article G.4, players having less than two minutes left on their clock shall NOT have the right to request that a time delay or cumulative time of an extra five seconds be introduced for both players

Player Registration

Except for Athenaeum and Insurance, each home team in a League or Major Cup match needs to be provided with the names of the visiting team's players for security purposes by 10:00am on the day of the match. Visitors to the Bank of England at Threadneedle Street also need to bring photographic ID (passport, driving license or national identity card).

Before each Match

Team sheets should be exchanged before tossing for colours, and at least five minutes before the scheduled start of the match. In the League, Major Cup, Minor Cup and Plate, the team winning the toss shall have white on the odd boards; in the Swiss, the team named first shall have white on the odd boards.

Time Control

The time control in all Standardplay CCA competitions is 75 minutes for 30 moves plus another 20 minutes for the remainder of the game.

Result Submission and Publication

Match results should be submitted and confirmed by both team captains on the CCA website within 24 hours of each match. The captain of the home team, where applicable, is also requested to publish the match result on the CCA's Twitter account, @CityChessLDN.

Team captains will be provided with login details for the CCA website and the CCA's Twitter account before the start of the season.
